

**326th
ANNUAL REPORT
1992**

**TOWN OF MENDON
MASSACHUSETTS**

ANNUAL REPORTS
of the
TOWN OFFICERS
of
Mendon, Massachusetts

including the report of the

SCHOOL COMMITTEE

for the
Financial Year July 1, 1991 - June 30, 1992
Calendar Year January 1, 1992 - December 31, 1992

Digitized by the Internet Archive
in 2017 with funding from
Boston Public Library

PROCLAMATION

July 12, 1992

Senior Citizen Day

whereas: **E**lders age sixty and over constitute 19% of the population in Massachusetts, and

whereas: **t**he American dream includes a belief in self-reliance, a respected place in the community, and independence, and

whereas: **E**lders have provided valuable models of character, talent, wisdom, knowledge, and ability which have enhanced and continue to greatly enhance our society, and

whereas: **a**s the people and the communities of Massachusetts enter a new era rich in promise and of economic change and social challenge, elders are actively accepting new opportunities and challenges, and

whereas: **t**he presence of Councils on Aging, Senior Centers, Home Care Corporations, and Area Agencies on Aging helps to forestall or minimize the need for institutionalization of Massachusetts elders, and

whereas: **t**he principle of elders helping elders is essential to the maintenance of life of elder independence,

now, therefore, We, the Board of Selectmen of Mendon, Massachusetts, do hereby proclaim July 12, 1992 as "Mendon Senior Citizen Day".

WILLIAM F. OBER, Chairman

Joseph M. Fabbriotti
Kevin G. Rudden

COSTUMES OF OLD - Doug and Arline Taylor are dressed in their period costumes to herald the beginning of festivities for the 325th anniversary of the Town of Mendon, a year long celebration.

DEDICATION

We are pleased to dedicate this Town Report to
THE MEMBERS OF THE 325TH ANNIVERSARY COMMITTEE

To each and every one of you whose unselfish dedication and unending determination filled Mendon's 325th Birthday with excitement, joy and love...

Thank you so very much for the wonderful memories.

Board Of Selectmen

To the Citizens of Mendon,

1992 marked the celebration of the 325th anniversary of the founding of the Town of Mendon. The festivities were organized by the 325th Committee and were capped by a three hour parade down Route 16. The board joins all townspeople in thanking the 325th Committee for their hard work and congratulating them on a job well done.

The town has started remodeling the Old Highway Barn for use as a police station. This is taking place under the supervision of Mr. Thomas Hackenson.

Town accountant Mrs. Geraldine Wallace retired this year. The board thanks Mrs. Wallace for her service to the town and wishes her well.

The financial condition of the town has stabilized. For this we thank the efforts of the employees and management of the town to keep expenses to a minimum. However, we must continue to be prudent with taxpayer's money.

As is allowed by Chapter 44 Sec. 28c of the General Laws, The Board of Selectmen voted unanimously to charge a fee for solid waste curbside pickup and disposal. This was done after a hearing was held to gather input from the townspeople. The consensus was that a per bag fee should be charged. The Board so voted, and stickers were purchased to be sold to the public to be attached to each container of solid waste. This system, along with recycling, has resulted in such a dramatic decline in the disposal tonnage that the system is unable to support itself. The Board has set up a committee to assist it in determining what changes need to be made to improve performance.

The Massachusetts Coalition of Police has cited the board for "failure to fund the contract" in that double coverage on some shift hours has been eliminated. An as yet unscheduled hearing will be held before the State Labor Relations Commission to resolve this issue. The Board has taken the position that union demands for minimum manning are an unwarranted interference with management prerogative.

The Board continues to respect and admire the performance of the Mendon Police Department. However, as the elected civil authority in the community, we are firm in the insistence that the needs of the community, be the only standard that all town officials and employees serve.

The board continues to work with all department heads furthering the progress of the last year, completing the projects we have underway, looking forward to the future needs of the town and maintaining a stable fiscal policy.

Respectfully Submitted,

William F. Ober, Chairman

Joseph M. Fabbriotti

Kevin G. Rudden

During 1992, the Board acted on the following items:

1. January 6th - Granted a change of manager to Ronald Adam for Nightbeat located on Hastings Street.

2. January 25th - Scheduled a special town meeting for 2/19/92 at the High School to secure police building renovation funds (\$70,000.).
3. February 3rd - Notice received from the Massachusetts Office on Disability advising that the Americans with Disabilities Act became effective 1/26/92. The Town must appoint an ADA Coordinator.
4. February 19th - Special Town Meeting scheduled to secure Police Building Renovation Funds postponed to 2/26/92 due to posting technicality.
5. February 24th - Granted a Restaurant/All Alcoholic License for Barry Phaneuf, d/b/a Barry's Place located at 35 Hastings Street.
6. February 26th - Funds in the amount of \$70,000. for police station renovations approved at the Special Town Meeting.
7. March 12th - Voted to approve placing the question regarding the purchase of a Front Line Pumper Fire Truck on the ballot.
8. March 30th - Town Accountant, Gerry Wallace, submits letter of intent to retire effective June '92.
9. March 31st. - Public Hearing held regarding the trash user fee. Voted to establish a fee system to charge residents for trash pickup and disposal with the mechanics to be worked out later.
10. March 31st. - Voted to approve a 3% salary increase for permanent part-time hourly, salaried and elected salaried employees.
11. April 13th - Voted to implement a trash sticker program charging \$1.25 per sticker to cover a maximum of 30 gallons of trash and 2 stickers to cover each bulk item.
12. May 5th - Board reorganizes, Bill Ober assumes Chairmanship.
13. May 11th - Awarded the bid for the printing of the trash stickers to Allied Marketing.
14. May 11th - Appointed Claudia Cataldo to serve as Assistant Town Accountant for the duration of FY 92.
15. May 26th - Awarded the lumber bid for the renovations of the new police station to Koopman Lumber.
16. May 26th - Granted a Restaurant/All Alcoholic License to Ma's Pancake House located on Cape Road.
17. June 8th - Proclaimed Sunday, July 12th as Senior Citizen Day.
18. June 8th - Granted a one day live entertainment license for UB20, Inc. for a live band concert to be held in the Mendon Drive-In parking lot on July 26th.
19. June 8th - Appointed Claudia Cataldo to serve as Acting Town Accountant for ninety days.
20. June 8th - Ordered a 45 day cease & desist order on P. T. Lumber.
21. June 22nd - Designated the Planning Board and its positions with a special employee status.
22. June 22nd - Appointed Jean Bavosi as the ADA Coordinator.
23. June 22nd - Completed the annual appointments and reappointments.
24. July 27th - Granted the issuance of licenses to Montgomery Lodge for the "Haunted House".
25. August 10th - Reappointed Lou Noferi as Town Counsel.

26. August 24th - Presented an commendation to Gerry Wallace from the House of Representatives.

27. August 31st. - Appointed Claudia Cataldo as Acting Town Accountant for thirty days.

28. August 31st. - Approved adopting new health insurance coverage for town employees.

29. September 15th - Accepted the resignation of Patrolman David Shane.

30. September 15th - Tax Classification Hearing: adopted a single tax rate of \$12.41.

31. September 22nd - Entered into a contract with Central States Fire Apparatus of South Dakota for the purchase of a new fire truck.

32. September 29th - Appointed Claudia Cataldo as the Town Accountant for three years.

33. September 29th - Discussed problems with trash pickup and removal with the Board of Health.

34. September 29th - Received a visit from State Representative Marie Parente.

35. September 29th - Proclaimed 10/24/92 as United Nations Day in Mendon.

36. October 27th - Approved the transfer of the "Package Goods" Store

Alcoholic License from Aegean Beverage Corp. to Davenport Beverage Corporation d/b/a Pop 'n' Kork located on Cape Road.

37. November 24th - Granted the package stores to remain open the five Sundays between Thanksgiving and New Year's Eve.

38. December 1st. - Granted a Tavern/All Alcoholic License to Ronald Adam d/b/a Silhouettes formerly Nightbeat located on Hastings Street.

39. December 7th - Accepted the provisions of Chapter 494, Section 2 of the Acts and Resolves of 1991 regarding deferred compensation for part-time employees.

40. December 7th - Discussed the creation of a new personnel policy including a new performance review and classifications.

41. December 12th - At 11:30 A. M. the Board declared a state of emergency situation in the Town due to a severe snowstorm.

42. December 15th - Approved deficit expenditures for emergency snow removal expenses, salaries and wages.

43. December 15th - Established a committee to study alternative trash removal methods.

Nine executive sessions were conducted in 1992.

325th Anniversary Committee

Townspeople of Mendon

On behalf of the 325th Anniversary Committee and Chairman, I wish to express my deepest and sincerest appreciation to all the townsfolk of Mendon for your support in celebrating Mendon's 325th birthday.

From the beginning of our first meeting it was the committee's wish that all activities we sponsored would have one thing in mind, to involve the entire committee. Their goal was to generate public spirit by including every Mendon family, and that they did with grand fashion.

Our anniversary celebration started in August of 1991 with the blocking of the center of Town at 4:00 P. M. to begin what was to be the biggest Block Party Mendon ever had.

Our celebration was now official and all was in motion to achieve our goal, to provide the biggest and best birthday party Mother Mendon and her citizens could have.

From its' Block Party we held a Ham & Bean Supper in our new Highway facility at which over five hundred townspeople enjoyed hay rides, good food, music and dancing to the sounds of the Vermont Fiddler.

To the committee's delight we had a great feeling about 1992 and all the activities we had planned. The thermometer erected in front of the Library was rising to our goal of \$25,000. and our General Store at Hood's Plaza was doing a tremendous business in selling 325th items.

Knowing our financial goal was in reach, we were able to continue with the events we had planned.

1992 Mendon's 325th Anniversary Events

March	Slide Show of Mendon's history
April	Barn Dance
April	Easter Egg Hunt
May	Arbor Day
May	Costume Dance
May	Birthday Celebration Cake
June	Softball Tournament
June	Historical Museum Open House
July	Day in the Park
July	Horrible Parade and Band Concert
July	Museum Open House
July	Senior Day Barbeque
July	Antique Auto and Truck Show
August	Baseball Tournament
August	Circus
August	Museum Open House
August	Fireman's Muster and Parade
August	Block Party
September	Road Race
September 19th	Town Banquet
September 20th	1:00 P.M. to 4:00 P.M. Parade
September 20th	7:00 P.M. to 9:00 P.M. Band Concert
September 20th	9:00 P.M. to 10:00 P.M. Fireworks

To all of those who participated in our fund raising efforts as well as attending our many events, we extend our deepest appreciation.

Our special thanks to the Mendon Brothers of the Brush for being our sponsor.

The 325th Committee wishes to extend a very special thank you to the following town departments and department heads for their support in making the 325th a memorable one:

Mendon Board of Selectmen: Bill Ober, Joe Fabbriotti and Kevin Rudden

All Town Hall Personnel

Mendon Police Department and Chief Dennis Grady

Mendon Police Association

Mendon Fire Department and Chief Jack DeLuca

Mendon Fire Association

Mendon Highway Department and Tom Guerra

Mendon Park Department and Paul Garagliano

Students at the Henry P. Clough School

Students at the Miscoe Hill Middle School and Dick Grady

Members of all bands in the MendonUpton Regional School System
and Henry Morel

Special recognition to all Mendon citizens and businesses that donated both

their time and personal monetary contributions, thank you all so very much. A big thank you to Tussy Kimball and Co., William Hood, the Fino family, Jean's catering, Milford National Bank, Tex's Barbeque, Jose Coehlo, Emmy White and all businesses for making a very special effort during the 325th. To all other businesses that were not mentioned, thank you.

Also, the 325th Committee would like to extend a thank you to Jack and Judy Ober for allowing the Band Concert and Fireworks viewing on their property. To Ronald Ferrucci and family for use of their land to shoot the magnificent fireworks display.

To the 325th Anniversary Committee, a sincere thank you from all of the folks for making the 325th celebration one to remember forever.

Special thanks to:

Doug and Arline Taylor

Valerie Brownly

Ellery and Madeline Taft

Laura Taylor

Jennifer Taylor

Linda Accorsi

Bill Moffett.

Mark Taylor

Janet Kimball

Jay Jordan

Joe and Arlene Reed

Ron Paszkewicz

Don and Carol Cook

Tom and Bill Hackenson and Boys

Kevin Fleming

Andrea Hogarth

Tom Irons

Sue Ober

Joe and Helen Taylor

Jane Coleman

Clarence and Betty Phipps

Linda and Drew Griner

Bill Butler

Ruth and Richard Cassinelli

And last but certainly not least, I would like to extend a mighty thank you from the bottom of my heart to my family for their unselfish support and encouragement.

To the 325th Anniversary Committee you truly "are unforgettable".

Respectfully submitted,

Dick Ferrucci, Chairman

Council On Aging

The Council on Aging respectfully submits their report for the year ending December 31, 1992.

Donald Keller was appointed to the Council on Aging board in June by the Board of Selectmen. Council on Aging board members for 1992 included Peggy Phipps, Catherine Holmes, Pauline Johnson, Mary Nealley, Shirley Kreson, Valerie Vincent and Donald Keller.

Numerous service programs were offered throughout the year by the Council office. Van transportation for any resident over 60 and handicapped regardless of age was offered every Monday and Thursday. The Visiting Nurse Association held five vital signs clinics and a flu shot clinic was held at the Senior Center in October. During the year an eye screening, eye care program and an eye glasses repair clinic were sponsored free of charge to all Mendon Seniors. Many referrals and assessments were conducted thru the year.

A Council on Aging training session sponsored by the Executive Office of Elder Affairs in March was attended by Pauline Johnson, Mary Nealley and Karen Lowell.

Flowers and flowering trees were planted at the Senior Center in the spring thanks to the Girl Scouts and Miscoe Hill students.

July 12, 1992 was proclaimed Senior Citizen Day in Mendon by the Board of Selectmen. Mrs. Freda LaBaire was honored as Senior of the year by our Selectmen Chairman Bill Ober and Representative Marie Parente. A chicken barbecue was given by the Mendon Lions Club at the Myriad Ballroom. Meals were delivered to homebound seniors.

In July the Council applied for a state formula grant from the Executive Office of Elder Affairs. The grant was approved and received by the town in November. The grant will help defray operating costs of the Senior maxivan.

Fuel Assistance applications were taken at the council office in January, February, November and December. Surplus food distributions were held in March, June, September and December. Senior newsletters were sent out every other month to all town residents age 60 and older.

Due to the lack of space, the School Senior Lunch Program was not available when classes resumed in August. In October, a Lunch Club was started on Thursdays at the Senior Center. A Meal-on-Wheels lunch is served.

In December the Mendon Public Safety Association sponsored a Christmas turkey dinner for the seniors and delivered meals to the homebound unable to attend. Senator Louis Bertonazzi entertained everyone with a trivia game and Representative Marie Parente led a sing-a-long. Debra D'Alessandro's 4H group presented an old fashion Christmas pageant. Senator Bertonazzi brought a gift for the oldest senior attending the party which was presented to 91 year old Miss Martha Lowell.

The Council on Aging would like to express their sincere appreciation to the Friends of Elders, all other town departments and everyone who contributed their time and services to the Senior Center and Council.

Respectfully submitted,

Peggy Phipps, President

Catherine Holmes

Pauline Johnson

Mary Nealley

Shirley Kreson

Valerie Vincent

Donald Keller

Karen Lowell, Coordinator

Highway Surveyor

The following is a list of projects completed during calendar 1992:

Mowry Street: from Uxbridge Road northly from house no. 84 to Hartford Avenue West. The road was pulverized and fine graded to 18 feet wide for a length of 910 feet. 2 1/2 inches of bituminous concrete binder was applied.

From Uxbridge Road southerly to house no. 19. Ledge was removed for road widening. Addition storm drainage consisting of 12" x 8' RCP pipe and 8" x 874 feet of steel pipe. Road was pulverized and fine graded to 18 feet wide for a length of 2040 feet. 2 1/2" of bituminous concrete binder was applied.

Pleasant Street: From house no. 28 to house 50. Ledge was removed for road widening. Road was pulverized and fine graded to 18 feet wide x 2000 feet. 1 1/2" of bituminous concrete binder and 1" finish was applied.

Powers Road: From North Avenue to house no. 11. Ledge was removed for road widening. Road was pulverized and fine graded to 16 feet wide for a length of 890 feet. 1 1/2" bituminous concrete binder and 1" finish was applied.

Bates Street: From Bellingham Street to house no. 68. 1 1/2" bituminous concrete finish was applied 22 feet wide 2000 feet long.

Bellingham Street: From Hartford Avenue east to bridge at Millbrook Drive. 2" bituminous concrete finish was applied 20 feet wide x 3700 feet long.

Drainage repairs were done to an existing culvert on Hartford Avenue West, additional 18" RCP pipe x 12', near house no.56. Replaced old steel culvert 18" x 60' with ADS plastic pipe on Providence Street, near the new highway garage.

The new dump/spreader truck was delivered on December 2nd. This new truck was purchased on a (3) year lease/purchase agreement with yearly payments of \$20,903.10.

I would like to thank everyone who assisted the Highway Department during the year.

Respectfully submitted,

Thomas P. Guerra
Highway Surveyor

Building Commissioner

TwentyFour (24) Certificate of Inspection were issued. Nine (9) Sign Permit Applications were issued. A total of \$17,554.25 was turned over to the Town Treasurer.

Respectfully submitted,

Thomas D. Hackenson
Building Commissioner

Plumbing Inspector

During the year 1992 there were a total of Fifty-Nine (59) Permits issued. The sum of \$2,080.00 was turned of to the Town Treasurer.

Respectfully submitted,

Vincent W. Mancini, Jr.
Plumbing Inspector

Gas Inspector

During the year 1992 there were a total of Twenty-Two (22) Permits issued. The sum of \$912.00 was turned over to the Town Treasurer.

Residents are reminded that if there is any type of work performed on their

gas installation or appliances in which lines are disconnected and then reconnected, such work **MUST** be done by a licensed gas installer and a permit **MUST** be obtained for same.

Respectfully submitted,

Vincent W. Mancini, Jr.
Gas Inspector

Wiring Inspector

During the year 1992 wiring permits numbered 1592-1727 were issued. The total value of \$4,195.00 was received and turned over to the Town Treasurer.

Respectfully submitted,

D. Edmund Gallant
Wiring Inspector

Board Of Appeals

The Mendon Zoning Board of Appeals heard petitions for four variances and one Special Permit in 1992. Three variances were granted. The one Special Permit petition was denied as was one Variance.

The law is very strict in allowing Permits and Variances. Potential applicants should examine the law and use past ZBA decisions as a guide to the validity of their petition.

The ZBA expanded their rules and regulations and adopted a new application form to be used in 1993. Fee for relatively large projects was increased from \$75 to \$150. The fee for a single lot residential use remains the same at \$75. Fee for appeals was reduced to \$50.

Current members of the Board are Don Keller, C. Donald Lee, and Ed Schroder. Alternate member is James Brennan. Al Shaheen retired in 1992 after many years of dedicated service.

A vacancy for an additional Alternate member is open. Alternates fully participate except they are not voting members.

Respectfully submitted,

Don Keller
Chairman

Conservation Commission

In 1992 the Mendon Conservation Commission worked with several building projects under the jurisdiction of the Wetlands Protection Act. The law requires that any proposed filling, dredging, altering, or removing within one hundred feet of wetlands or land subject to flooding be regulated by the Commission. Each of the following proposals required the filing of a notice of intent, the holding of a public hearing, and the issuance of an order of conditions.

Pipeline installation - Tennessee Gas Company; aboveground fuel tank installation - John Arcudi; Lot 4, 184 Millville Street - Norman Hill; Lot B, Blackstone Street - Anthony Muccini; Lots 14, 15, and 16, Forest Park Estates - Forest Park

Association; Lot at 84 Millville Street - Rolland Boucher; Resurfacing of Bellingham Street and Bates Street - Mendon Highway Department; Lot 2, Cemetery Street - Harry Stewart Jr.; Lots 32, 34, and 35 at Crestview Estates - W.G.B. Co.; Talbott Farms Estates subdivision - Abram Rosenfeld; Lots 63, 65, 68, 70, and 72 on Neck Hill Road and Hartford Avenue East - Samuel Longo Jr.; Lot at 143 North Avenue - Daniel Gardner; Technical Metal Fabrication addition, Uxbridge Road — Joseph Candela;

Riding rink, Gaskill Street - Attorney Shelley Vincent.

Orders of conditions were renewed for building proposals by Wayne Kimball, John Costanza, Victor Marietta, and Angelo Rosati.

The Commission issued denials for Lot 11 on Blackstone Street (F.D.I.C.) and Lot 8 on Millville Road (Land Planning). It was voted to deny a request to renew an order of conditions for Blueberry Estates (First Boston Associates and Raymond C. Green).

The Conservation Commission held its twenty-first annual town cleanup on April 18, 1992. one hundred twenty-five people participated in cleaning up Mendon's roadsides. Special thanks were expressed to the Mendon Lions' Club, Duane Nelson, Richard Schmidt, Garelick's Dairy, the Mendon Police Department, East Coast Waste Systems, Tussy Kimball, and Mendon residents for their help in making the project a continued success.

Arbor Day ceremonies were conducted on May 1, 1992 to initiate ceremonies for the Town's 325th anniversary celebration. Trees were planted at several areas throughout the town, including the site of the beginning of the King Philip War at Providence Road. Trees were also planted at Clough School, the Mendon Senior Center, the Mendon Highway Barn, and Hood's Plaza roadside strip along Route 16. The species included Bradford pear, maple, dogwood, crab apple, magnolia, Kwansan cherry, and spruce.

Aquatic Control Technology of Northboro administered a weed maintenance program at Lake Nipmuc in June. The lake was closed for swimming, boating, and fishing for two days in accordance with state regulations. This aquatic treatment has been an annual event since 1976 to control nuisance vegetation.

Members of the Commission attended the annual M.A.C.C. Convention at Holy Cross College. They participated in seminars to keep updated on environmental laws and procedures.

The Commission accepted with regret the resignations of Nancy Robertson, Joe Kirkpatrick, and Lois Taylor. Sincere gratitude is expressed for their time of service and dedication in protecting Mendon's natural resources.

Respectfully submitted,

Michael Ammendolia, Chairman
William Aten
Beverly Edgar
Richard Grady
Susan Noonan

Board Of Health

There was a substantial reduction in the tonnage of trash brought to Wheelabrator, Inc. in 1992. The approximately 35 tons less trash per month is a result of an increase in recycling and the implementation of a fee system to fund the program. A pilot program for recycling of No. 2 Plastic and Corrugated Card-board was initiated in December using the rolloff that was awarded to the town by the DEP. A further reduction in tonnage is expected in 1993.

The Board of Health continued to fund the Visiting Nurses Association again this year. Several Health Screening Clinics were held throughout the year.

Two Rabies Clinics were held on the following dates:

April 4, 1992 - treated 53 dogs and 93 cats.

October 31, 1992 - treated 26 dogs and 55 cats.

The Board signed and approved the following Plans in 1992:

Septic Plans	24
--------------	----

Revised Septic Plans	8
----------------------	---

Repairs	1
---------	---

The following Permits were issued by the Board of Health in 1992:

Permits to Operate A Food Establishment	42
---	----

Carbonated NonAlcoholic Beverages, Soda Water	
---	--

Mineral or Spring Water Permits	2
---------------------------------	---

Respectfully submitted,

Michael A. Tetreault, Chairman

Mara T. Beliveau

Harry C. Stewart

Planning Board

There are several subdivision plans still under consideration. The Board is also reviewing several revised definitive plans.

There were numerous 81P Plans submitted, and one (1) site plan review.

The Board welcomed one new member in 1992, R. Christopher Noonan.

Mendon Housing Authority

The Mendon Housing Authority administers two programs. At Sunrise Apartments we have 30 units under Chapter 667. Under the Massachusetts Rental Voucher Program(MRVP) we have one voucher. The MRVP was formerly the Chapter 707 program; this program has suffered severe cuts by the legislature in recent years.

To be eligible for the Chapter 667 program income must not exceed:

One person \$21,280.

Two persons 24,320.

Assets must not exceed \$15,000 or one and one-half times the net income, whichever is greater.

Vacancies continue at a surprising rate; we had 9 vacancies in 1992.

With the help of modernization funds from the Commonwealth, the Community building and Building B were reshingled.

The Authority wishes to thank the Mendon Highway Dept, the Firefighter Association wives, and the Mendon Girl and Boy Scouts for their contributions to the safety, comfort, and happiness of Sunrise residents during the past year.

A special thanks to the Highway Department, and Fire Department for the donation of men and equipment during our water problems this summer and to Garelick Farms for its donation of bottled water.

Respectfully submitted,

Margaret Tetreault
Executive Director

Taft Public Library Trustees

During 1992 the Taft Public Library Trustees continued to enhance services for library patrons by fostering a wide variety of programs for youngsters and adults. Ed Bilodeau was hired as the library's new preschool story teller. He meets with the children twice a month. A very successful Summer Reading program featuring an Olympic theme was completed under the direction of Linda Pomeroy and the Friends of Taft Library. A new adult programming schedule has also been instituted by the Friends under the direction of Kay Holmes and Eleanor Cyr. Adult programs are now offered once a month during the school year. And last but not least, the Children's Collection has been reorganized and updated. The Children's Room itself has a new look with colorful posters and the purchase of a reading platform that provides youngsters with a wonderful place to curl up with a book.

Respectfully submitted,

Carole Baptiste, chairman

To the Trustees of the Taft Public Library:

The circulation of materials for 1992 (228) days was 6013. Circulation by classes was as follows: fiction 1,585; magazines 557; juvenile 2,316; biography 39; history and travel 144; literature and fine arts 295; science and useful arts 366; cassettes 155; video tapes 212; all others 344.

During the year, 1024 new books were added. Most of our holdings are now entered into the computer and we are able to check books in and out electronically. We are working on a way to use the computer to check out magazines and the books from CMRLS.

Risa Eldridge and Kevin Hastings our High School aides have left us for college. We have replaced them with Beth Eldridge and Nadine Bradley.

We continue to avail ourselves of the services of the Central Massachusetts Regional Library System. Through their bookmobile and additions to our own collection we are building a large print collection. We also have available audio cassettes, video tapes and story kits. The book drop is being well used. We continued to have a good number of researchers and borrowers from other towns. Our Local History and genealogy section is used almost daily.

Our thanks to our assistants Mrs. Rosamond Heglund and Mrs. Patricia Dwyer, our aides Miss Beth Eldridge and Miss Nadine Bradley and our custodian Mr. Austin B. Taft.

Respectfully submitted,

Lorna F. Rhodes

Fire Department

To the Honorable Board of Selectmen and the Citizens of the Town of Mendon.

For the year ending December 31, 1992 the Fire Department reports the following summary of calls:

Structure Fire	5
Vehicle Fire	4
Chimney Fire	3
Furnace Fire	5
Oven Fire	1
Stove Fire	1
Electrical Fire	3
Haz-Mat Incident	5
Motor Vehicle Accident (With personal injury)	11
Motor Vehicle Accident (Without personal injury)	7
Mutual Aid	3
Assistance Calls	14
False Alarms	31
Illegal Burning	3
Permits out of control	5
Brush Fire	6
Investigations	34
Stand by Duty	15
Oil Burner Inspection	53
Smoke Detector Inspection	95
Brush Fire Permit	696
Blasting Permit	17
Black Powder Permit	1
L.P. Gas Storage Permit	36
Underground Tank Removal	5
Total	1059

Income received from permits, inspections and insurance reports total \$2,880.00.

The Fire Department Personnel are in the planning stage along with The Conservation Commission and Engineers from The G.L.M. Engineering Company, a Holliston Firm regarding the construction of a Dry Hydrant System to be installed on Route 16 at Nipmuc Drive and also at Taft Avenue and The Town Beach.

A 10,000 gallon water tank has been installed along with a Dry Hydrant System on Thayer Road. This system was provided by The Tennessee Gas Company, at no cost to the Town. This will be used by The Fire Department increasing our fire protection in that area.

The specifications for a First Line Pumper have been completed. We are now under contract with The Central States Fire Apparatus Company. A September 1, 1993 delivery date has been set.

The Fire Department has acquired a 1976 Dodge 4X4 along with a utility trailer from The State Forestry Division's Excess Equipment Depot, at no cost to the Town. Repair work and painting was done by M.C.I. in Walpole.

The Emergency Generator Haz-Mat Trailer and related equipment along with Brush #2, have been set up at Station #2, "The New Highway Barn".

We must put a capital improvement plan into effect, replacing one piece of equipment every third year. We look to The Board of Selectmen for their support.

All members of The Fire Department received training in C.P.R. and First Aid provided by certified instructors of The American Heart Association.

The Members of The Fire Department will continue to be trained by The Massachusetts Firefighting Academy to keep them current on all the new firefighting techniques.

Firefighters Tara LaBastie and Steven Cook have completed training in Emergency Medical Technology and are now Certified E.M.T.'s.

The officers and members of the department have done an excellent job in providing our townspeople with Fire Protection, emergency medical treatment at auto accidents, assistance in water emergencies, storms, etc. Provided we have updated emergency equipment, the members of the department will continue to do an outstanding job.

I wish to thank The Board of Selectmen and all Town Departments for their assistance in 1992. I also wish to thank all Mendon residents for their continued support, and the officers and members of The Mendon Fire Department for their hard work and dedication to the department.

Respectfully submitted,

Gioachino F. DeLuca, Fire Chief

Police Department

In September of 1992 we lost a full time police officer to the Town of Hopkinton. Officer David Shane was a fine officer who will be missed.

All Officers received training in CPR and First Responders.

All Officers were trained and qualified with their service weapons. The Officers received specialized combat training. Training was provided by our own certified weapons instructor, Detective Ernest Horn. Training was provided for revolvers, 9mm semi-automatics, shotgun, and semi-automatic rifle.

All full time officers received one week of In-Service classroom training at Mass Criminal Justice Training Council facility in Foxboro.

The Mendon Police Department is still an active member of the South County Task Force. We are an integral part of an eleven town task force, combating drugs and other crimes against persons. We work closely with the CPAC unit of the District Attorney's Office.

The Mendon Police have enhanced our role at Miscoe Hill Middle School and Nipmuc Regional High School with the D.A.R.E. (drug abuse resistance education) programs. We will now be teaching the sixth, seventh and tenth graders about D.A.R.E. Lt. J. Martin Auty is our D.A.R.E. officer and spends many hours teaching in the classrooms. The children learn how to handle peer pressure, how NOT to use drugs and how to say NO.

Chief Dennis P. Grady completed a one week course at Foxboro for In-Service training.

— Lt. J. Martin Auty, D.A.R.E. officer, completed a one week course at Foxboro for In-Service training.

Sgt. Philip G. Dunlavey heads our Rape Investigation Squad and completed a two week course for Sergeants at Foxboro In-Service training.

Detective Ernest H. Horn, our chief investigator, also wears many hats for the Mendon Police Department. Detective Horn is our weapons officer and is responsible for the training of all firearms. He assists with our training in First Responder and CPR. He is the court officer with Milford District Court. Detective Horn completed a two week course for Detectives at Foxboro In-Service Training. He also completed a Firearm Instructors Recertification course for all firearms, shotguns, semi-automatics and revolvers given at the Foxboro M.C.J.T.C.

Officer William J. McClintock completed a one week course at Foxboro for In-Service training. Off. McClintock is our evidence officer and maintenance officer. He is responsible for tagging, preserving and disposal of all evidence recovered by the Mendon Police. He is also responsible for the upkeep and maintenance of all police vehicles and equipment.

In 1992 the town voted to take \$70,000 out of Stabilization to renovate the old highway barn into a police station. The generous people of Mendon voted in February and work began shortly thereafter. Work has been a little slow as we must rely on the donated time and efforts of our citizens. Many have helped and many have promised donations. We hope to be moving into our new police station in the early fall. A special thank you to each and every person who has assisted us with moving into our new building. It's always a little bit nicer when you help build it yourself. It will be a police station we can all be proud of.

I wish to thank the Board of Selectmen, and all other town departments for their aid, assistance and support. A special thanks to all the people of Mendon for helping to make our new police station a reality.

Respectfully submitted,

Dennis Grady, Chief of Police

To the Honorable Board of Selectmen and Citizens of the Town of Mendon:

The following is a record of the Mendon Police Department and its activities for the year ending December 31, 1992.

Edward B. Postma		Northbridge
Robert H. Snow		Upton
Anthony F. Rando	Treasurer	
David A. Rando	Counsel	
Margaret Asadoorian	Recording Secretary	
Eugene D. Picard	Superintendent/Director	

Regular School Committee meetings are held at the Blackstone Valley Regional Vocational Technical High School, Pleasant Street, Upton, MA on the third Thursday of each month in the School Committee Meeting Room at 7 :30 p.m.

The 1991-92 school year for the Blackstone Valley Vocational Regional School District's Vocational Technical High School started August 21, 1991 and concluded on June 9, 1992.

Six hundred and ninety-nine (699) high school young men and women were enrolled on October 1, 1991, the date used by the Department of Education to establish an official enrollment for all schools.

The distribution of enrolled students among the thirteen member towns which comprise the vocational-regional school district registered the following:

Town	Grade 9	Grade 10	Grade 11	Grade 12	Male	Female
Bellingham	19	16	24	12	52	19
Blackstone	11	2	7	6	19	7
Douglas	6	20	10	6	25	17
Grafton	25	20	14	7	50	16
Hopedale	8	5	6	9	25	3
Mendon	9	6	1	5	16	5

Milford	29	19	18	15	54	27
Millbury	33	26	20	23	73	29
Millville	7	3	1	4	11	4
Northbridge	29	22	19	16	62	24
Sutton	9	13	13	8	25	18

The vocational technical high school's Program of Study provided a dual educational experience for all students. The Program of Study consisted of: (1) academic core (English, mathematics, science, social studies, physical education) and (2) vocational-technical preparation in one of fifteen (15) occupational fields.

Each of the four years of school was organized sequentially, affording students time to master competencies in an orderly process.

The Program of Study was structured around an alternating two-week schedule — two weeks of academic study followed by two weeks of vocational-technical preparation. The school day began at 7:55 AM and concluded at 2:00 PM. One hundred and eighty (180) days comprised the school year.

An exceptional and experienced faculty composed of thirty-five (35) fully approved vocational-technical instructors and twenty-one (21) certified academic teachers, one (1) reading specialist, one (1) media specialist, three (3) school counselors and six (6) resource teachers for Special Needs served the student body throughout the year. A consulting school psychologist was also available every school day.

Extracurricular programs offered included: (1) Athletic teams - Cross Country, Soccer (boys and girls), Basketball (boys and girls), Baseball, Softball and Track/ Field, (2) Activities/Clubs - Vocational Industrial Club of America, SAAD, Class Officers, Student Advisory Committee, Yearbook, School Magazine, Blood Drive Committee, Junior/Senior Prom Committee, Safety Committee, Variety Show Performers and Intramural. An active support group of students and faculty worked with female students to encourage and promote equity in pursuit of occupational preparation in programs considered non-traditional for one gender or the other.

During the school year students were engaged in public service projects such as: two major blood drives which secured 198 pints of blood and a highly successful drive to raise money, foodstuffs and gifts for those in need. In addition, students in the construction programs (Carpentry, Electrical, Plumbing, Painting/Decorating) completed an extensive renovation project at the former Keough School in Bellingham. The Automotive Technology and Auto Body programs afforded students on-the-job training by repairing and restructuring vehicles which were owned by individual citizens as well as regional towns. Culinary Arts students received training each day through the school's Three Seasons Restaurant which was available for lunch or dinner each day school was in session. Students in the Health Service program received applied training through supervised internships at day care sites, hospitals and nursing homes. The Drafting program developed usable construction plans for homes and public facilities. A major project for Grafton engaged students in mapping the town's entire sewer system and compiling the information on computer disks. Likewise, the Graphic Arts program devel-

oped and printed booklets, pamphlets, forms and brochures for communities and the school system, including the Class of 1992 Yearbook.

All of the beneficial services undertaken generated significant and practical occupational training for students; were cost-effective for the school system as well as the clients - citizens of the region. Payment for services rendered were minimal while simultaneously offsetting expenditures which the school system did not have to appropriate .

NEASC Evaluation

In April 1992, the New England Association of Schools and Colleges, Commission on Vocational, Technical, Career Institutions, conducted a decennial evaluation. The Blackstone Valley Regional Vocational Technical High School has been a member of NEASC since 1972 when the first evaluation was conducted.

Preparation for the professional evaluation consisting of an extensive self-evaluation was undertaken by the school staff during school year 1990-91.

Twenty-two (22) professional educators from various New England states spent four days reviewing, examining and critiquing every aspect of the school system. Staff credentials, organizational structure, facilities, equipment, supplies, budget, methodology, course offerings and instruction, support services, community involvement and response to needs, maintenance, advisory committees, depth and breadth of programs and graduate results were scrutinized in detail.

The Commission's report was most satisfactory in every respect. Recommendations for improvement were made. Almost all have been implemented with others requiring long-range solutions. The report is available at the school for public review.

Having met the rigid standards of the NEASC, graduates of the school who qualify are recognized as having participated in an appropriate preparatory educational program for admission to post-secondary institutions.

Adult Training Programs

The vocational regional school district in addition to having provided high quality general and occupational education for high school populations, also provided extensive vocational-technical programs and practical arts programs for adults.

1. The Evening School served well over four hundred (400) adults who enrolled in the fall and spring semesters. Adults participated in a variety of distinct occupational programs - Auto Body, Carpentry, Electrical, Welding, Computer Numerical Control, Graphic Arts, Machine Technology, Air Conditioning, Electronics, Computer Aided Drafting, Computers, Blueprint Reading, Word Processing, Electrical Code and Plumbing License Preparation. Many adults engaged in avocational courses such as furniture refinishing, wallpapering, typing, C. P. R. and crafts.

These offerings were sustained through individual fees. No district appropriation was used . The courses were taught on Tuesday and Wednesday evenings - 6:30 PM to 9:30 PM.

2. A unique cooperative venture with the Ford Motor Company, Quinsigamond Community College and the Blackstone Valley Technical School provided forty (40) students with a distinct post-secondary Associate Degree Program. Known as the ASSET program sponsored by the Ford Motor Company, students who matriculated with Quinsigamond Community College received two years of rigorous technical training in automotive diagnostics. Successful students graduated with an Associate Degree in Applied Science - Automotive Technician. Eighteen (18) graduates were placed in various Ford-Mercury Dealerships across the state. Starting earnings averaged over \$25, 000 per year. Also, graduates of the ASSET program are eligible for employment anywhere in the world where Ford-Mercury vehicles are sold/serviced.

Class of 1992

Entering in the fall of 1988, the Class of 1992 graduated Saturday, May 30, 1992. One hundred forty-one (141) young men and women received high school diplomas and vocational certificates from Mr. Kelton Johnson, Chairman of the Blackstone Valley Vocational Regional School District Committee.

Class officers were: President - Kristie Azevedo (Milford), Vice President - Tammy St. Francis (Uxbridge), Treasurer - Craig Bartelloni (Sutton) and Secretary- Kristin Chesley (Douglas). The class advisors were Janet Rando (Media Specialist) and David Lewis (Machine Technology).

Mr. Jerry C. Polselli, Vice President of Certus Inc. of Grafton, delivered the main address to the graduates. He urged the graduates to pursue their dreams and to remember those who made everything possible for them - their parents and the community-at-large. He advised them to become involved and to care about doing the simple and ordinary things every day of their lives. To do so would assure them personal success and would help to make everyone's life more rewarding.

Forty-four (44) of the graduates planned to augment their education by enrolling in post-secondary education programs - 11 to two-year private schools, 14 to two-year public schools, 3 to four-year private schools, 9 to four-year public schools, 7 to specialized schools and/or the military. Approximately \$19,645 was distributed as educational aid, scholarships and grants.

Seniors who were eligible - recommended by their occupational instructors, successfully passed all the academic subjects, recorded excellent behavior and attendance - participated in the school's Cooperative Education Program . Some sixty (60) students participated. They were employed in their field of expertise; were evaluated for performance, work ethic and competencies; were paid a wage and they earned longevity credit with employers. As a viable school-industry partnership, employers received appropriately prepared personnel, students refined their competencies and they acquired real experience in the workplace. Cooperative Education has been a cornerstone of this institution's delivery system since 1966. In spite of the region's depressed economy, forty-two (42) employers participated in the program during the school year.

Among the many awards earned by graduates, two focus on exceptional and consistent effort and performance. The Superintendent's Commendation Awards recognize exceptional performance, achievement, personal decorum and social contribution to the community each of the twelve (12) trimesters that comprise

four (4) years of school. Recipients for eleven (11) trimesters of commendation were: Eric Darcy (Uxbridge), Melissa Little (Uxbridge) and Christopher Murray (Northbridge) . Recipients for ten (10) trimesters of commendation were: Kristin Chesley (Douglas), Kristine Kupfer (Millbury), Eric Ostergaard (Northbridge) and Rebecca Shurick (Melville). Also recognized for Outstanding Attendance for four (4) years were: Melissa Little - 720 days - (Uxbridge) and Michael Guertin - 717 days - (Uxbridge).

The Department of Education, Division of Occupational Education, recognized Kristine Kupfer (Millbury) as one (1) of five (5) Outstanding Vocational-Technical students in the state of Massachusetts.

Conclusion

The Vocational Regional School District, in operation since 1966, maintained high educational standards throughout 1991-92. Likewise, the regional school district committee contained costs to member towns. Of the twenty-eight (28) regional vocational-technical high schools in the Commonwealth, Valley Tech ranked twenty- fourth (24th) in its expenditures per student. The assessed operational costs per student (the amount member towns appropriate to educate each student) was \$2,028. Significantly, local taxpayers contributed 30¢ for every one dollar (\$1.00) spent to educate a student at the regional vocational-technical high school. Seventy (70¢) cents was provided by state and federal school funds.

The thirteen (13) elected members of the school committee, the faculty and ancillary staff, administration and especially the students express genuine thanks and appreciation for the assistance and support provided by advisory committees, cooperating employers and parents throughout the year. Their contributions have been invaluable. Through their advice and counsel, the elected officials and administrators were able to plan and deliver a unique educational experience for hundreds of deserving students.

Sustained by the widespread commitment to this vocational-technical education enterprise, planning for future needs have been initiated. Programs such as Office Technology, Applied Math/Science and Tech-Prep will be developed in 1992-93 for implementation in 1993-94. Every effort has been put forth to maintain relevancy and excellence in educational preparation. Everyone associated with this specialized school system recognizes the need to prepare young people appropriately for the Technical Age which involves world-wide competition. Tomorrow's citizen requires an education that is technically oriented and purposeful.

Educating young men and women appropriately for the 21st Century will be quite different than it was for the 20th Century. The needs of the Technical Age are fundamentally different than the requirements of the Industrial Age.

Shifting our educational priorities and adjusting the educational delivery system will be an ongoing effort. The transition requires collective involvement of citizens and professionals. The challenges ahead will be met. Our students, citizens of the future, must graduate with a mastery of competencies that are applicable to the work-place of the Technical Age. Parents need to become active in the educational process.

We look forward to addressing the emerging demands, confident that the citi-

zens of the Blackstone Valley Region will continue to support vocational-technical education as a viable and essential preparation for the world beyond high school.

Respectfully submitted,

Eugene D. Picard
Superintendent-Director

SCHOOL CALENDAR 1992 – 1993

FALL TERM, TEN WEEKS:	Term begins September 2, 1992 Term ends October 30, 1992
WINTER TERM, ELEVEN WEEKS:	Term begins November 1, 1992 Term ends January 22, 1993
SPRING TERM, TEN WEEKS:	Term begins January 23, 1993 Term ends April 2, 1993
SUMMER TERM:	Term Begins April 3, 1993 Term ends to be announced

HOLIDAYS

Labor Day	Monday, September 7, 1992
Columbus Day	Monday, October 12, 1992
Veteran's Day	Wednesday, November 11, 1992
Thanksgiving	Thursday, November 26, 1992
Christmas Day	Friday, December 25, 1992
New Year's Day	Friday, January 1, 1993
Martin Luther King Day	Monday, January 18, 1993
Good Friday	Friday, April 9, 1993
Memorial Day	Monday, May 31, 1993

The 1992 School year has brought many changes in the area of instruction and administrative services. Through the efforts of the School Committee, Board of Selectmen and Finance Committee, the school budget was passed with great support from each community. The total local assessment for both communities only increased by two and one half percent, Mendon's increase was \$105,903.00 and Upton's being \$44,850.00. This increase represented a minimal amount.

The school year opened with an unexpected increase in enrollments at both the Memorial and Clough schools in the kindergarten and first grade. Three new teachers were hired to maintain manageable class size and to maximize instructional learning for our younger students. Small class sizes are imperative for students at these grade levels. The slow economic climate we are expecting increased growth in our school population from both communities. Therefore, additional staff and classroom space will be needed.

The School Board has taken proactive measures with the formation of committees to investigate facility planning, instructional development and budgetary analysis. Their objective is to develop long range plans that would take into consideration increased enrollment and facility direction. After five years with the lack of funds for textbooks and library books future committees must procure materials for these areas. With the advent of school choice the school district must be competitive by maintaining curriculum programs that meet the needs of our students and prepare them for future careers.

During the 1992 School year the District has embarked on an active plan to review all of our school programs. The district is striving to maintain educational excellence. After listening to parents and community members, the school committee and superintendent have directed their energies towards the goals of "wanting to be better" and "being the best." This goal can be accomplished by the implementation of instructional, financial, and administrative initiatives. The following actions are designed to increase teaching and learning effectiveness and address the social, emotional, and academic development of each student. Some of the new programs and purchases included:

- The development of an "Outcome Based Educational Program" that will "Blueprint" the faculty's commitment to achieve school "Excellence" in all facets of school life, develop student content and character, and encourage everyone in the school community to be lifelong learners.
- The Nipmuc Regional High School Program of Studies will include 22 new courses, 5 Advanced Placement Courses, and a Communications and Technology Department. In addition, the high school students at Nipmuc will have 18 new courses to choose from as part of the Intra-Valley Compact.
- The purchasing of 20 Macintosh Computers will provide Miscoe Hill Middle School students with current state-of-the-art hardware, increase program and instructional options, and provide the availability of computers for each elementary classroom.
- Opening high school courses to eighth graders.
- Increasing athletic programming to include spring track and golf as well as an intramural program in volleyball, basketball and softball and at the same time reducing user fees.
- The formation of various clubs and activities at the middle and high schools.
- The adoption of an optional paid "enrichment" kindergarten program and an after-school extended-day program for all elementary students.

- The implementation of “Math Our Way” to increase K-2 skill development through math manipulative instruction.
- The health and physical education programs for K-12 will include HIV-AIDS instruction.
- The budgeting of funds for staff development and training activities determined by our Outcome based Education “Blueprint”. Staff training will focus on the development of teaching strategies that will encourage learning as an exchange of ideas, higher level thinking, decision-making, and problem solving applications.
- A new administrative governance structure for Nipmuc High School and Miscoe middle School for greater faculty, student, and parent participation and to “bring the action closer to the students”.
- The development of a public relations strategy to keep students in the Mendon-Upton Regional School District and to admit a greater number of students through our participation in the School Choice program.
- An advisee/advisor program 5-12 to better “personalize” staff and teacher relations, communications and to let students know “we care”.
- The implementation of a series of workshops to assist parents with Adolescent behavior.
- The establishment of a Mendon-Upton Regional School District “Trust” funded from an “Annual Giving” for the purchasing of material, equipment, supplies and personnel.
- The budgeting for an elementary art position and choral music at Miscoe Hill Middle School and Nipmuc Regional High School.
- The development of an organizational structure to better provide special education services within the regular classroom environment.
- For the past several years, the district’s auditors have been recommending that an in-house financial coordinator’s position was needed to oversee financial matters within the district. With growth and expansion of services within the district, as well as, significant changes in state and federal regulatory changes, the complexity of the districts accounting has increased greatly. Due to attrition and reorganization of the Central Office hiring did not increase staffing costs.

The Massachusetts Educational Assessment Program (MEAP) test scores represent a positive outlook reflecting the Districts commitment to provide the best educational opportunities for our students. The support of the teaching staff, School Committee and community are essential to achieving this goal. Some parents believe that the Mendon Upton Regional District was not preparing their children. The MEAP scores established the District’s credibility as a progressive system with exemplary practice. The test outcome reflects commitment by all members of the staff to promote a child oriented program that stress content and character development, which will prepare students as future citizens.

The Mendon Upton District must continue to provide quality programs that will challenge students and prepare them for careers in the high tech world that will exist in the future.

RESULTS OF ASSESSMENT TESTS 1986 - 1992

YEAR	GRADE	READING	MATH	SCIENCE	SOCIAL STUDIES
1986	3	1290-	1360	1390	
	7	1330	1330	1360	
	11	1280-	1290	1260-	
1988	4	1330	1340	1340	1340
	8	1390	1350	1390	1360
	12	1340	1330	1350	1340
1990	4	1410	1410	1390	1420
	8	1410	1350	1350	1390
	12	1300-	1370	1310-	1370
1992	4	1440	1440	1390	1450+
	8	1430+	1420+	1380	1390
	12	1410+	1370	1400	1390+

+ Indicates that the scores exceeded the state band ranges.

- Indicates that the scores were below the state band ranges.
